## 2022 Indoor Collection

The 2022 collection conjures the spirit of a contemporary habitat where the interior decor is also reflected in the outdoor spaces and embodies an all-encompassing style and timeless elegance untouched by fleeting fashions. The roots of this signature design philosophy are deeply embedded in the company's know-how – spurring it to develop, design and craft objects made to last more than a lifetime, to be passed down to the next generation, like a family jewel.

A contemporary and international style characterizes the Tribeca sofa by Jean-Marie Massaud, in which the softness of the shapes, supported by a thin metal structure, is embellished by the particular armrest. A harmonious whole that transforms the Tribeca sofa, fixed or modular, into the protagonist of the day area.

# SOFAS SECTIONAL SOFAS OTTOMANS

The Romeo sofa's delicate lines, proportions and details – like the tapered cast aluminum feet and subtle grosgrain piping that outlines the stitching and emphasizes the aesthetically balanced shapes – attest to the company's artisan expertise.

Thanks to the perfect inclination of the seat and the generously goosedown-filled cushions, the Romeo sofa is tangible proof of the company's ability to wed understated elegance with the utmost in comfort.

The Romeo seating system is also amazingly versatile, in that it can confidently wear any of the fabrics and leathers in the Flexform collection, each one expressing a different personality. This means the Romeo sofa can easily furnish any setting, from sleekly minimalist to the most classic deco

## ARMCHAIRS OTTOMANS

The sinuous, enveloping lines of the Sveva armchair with cowhide shell can also be found in the fully-upholstered Sveva Soft version.

The soft upholstered shell is made of a special polymer that offers considerable structural support and, along with the goose-down-filled

seat cushion, ensures outstanding softness and comfort.

The cast aluminum swivel base comes in versions with four or five spokes, with satin, chrome, burnished, black chrome or champagne finish. The Sveva Soft armchair upholstery is completely removable; the chair also comes in a wing back/bergère version.

## BEDS

Designed and crafted to promote a superior sleep experience, the Newbridge Soft bed has carefully-engineered proportions, generous padding and refined tailoring details. The silhouette of the headboard is highlighted by elegant piping, while the back features a refined metal bar that supports the upholstery.

The Newbridge Soft bed comes in several sizes and is available in versions with base composed of a single perimeter frame, rigid base, platform base with height-adjustable slats and base with storage compartment, handy for storing pillows, blankets and bed linens. Upholstery of the Newbridge Soft bed is completely removable.
