Build an ideal home with quality

PU plain moulding

Product information

PU plain moulding

Product name: PU moulding

Material: PU polyurethane

Specification: 2.4m Length

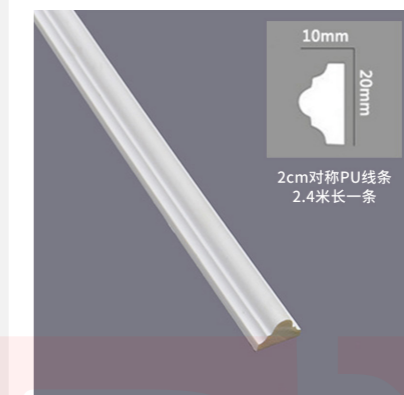

Features: lightweight/durable/colorable/moisture-proof

Installation: nail free glue+woodworking nail

Applicable: TV/sofa/restaurant/background wall/bedside background light

PU stone panel

Difference and comparison

PU stone Panel/mushroom stone

50m²/Lightweight and simple, one person can complete 50 m² in one day

PU stone Panel
The middle is relatively flat

Stone skin cutting is more convenient

Mushroom stone
The middle is more convex

Design at will

PU stone panel

Installation steps

Portable, easy to install and natural to pave

front

Back side

Installation

Method 1:

1. Dimension measurement
2. Leveling
3. Fix with lock screws

Method 2:

1. Dimension measurement
2. Leveling
3. Fixed with structural adhesive and air nail gun
